(licensor)

and

Licensee

1. Definition of the Software

This Software is composed of a Microsoft Excel template with macros and documentation files. Not included is the source code of the embedded macros. Its purpose is the environmental life cycle assessment of the treatment of waste with a set of waste treatment technologies (cement plant, municipal solid waste incinerator, landfill).

(together “Software”)

2. License of ETH Zurich

ETH Zurich hereby grants a single, non-exclusive, world-wide, royalty-free license to use Software to the licensee subject to all the terms and conditions of this Agreement.

3. The scope of the license

a. Use

The licensee may use the Software:

- according to the intended purpose of the Software as defined in provision 1
- to generate results, which may be used for commercial and non-commercial purposes

The generation of essential temporary backups is allowed.

b. Reproduction/ Modification

Neither reproduction nor modification, including error-correction, of the full software or of parts of it, is permitted.

c. Adaptation

On his own risk, the licensee has the right to parameterize the Software or to access the Software with interoperable programs within the aforementioned scope of the licence.

d. Distribution of Software to sublicensees

Licensee may not transfer this Software in its original or in a modified form to others, in particular licensee may not sublicense this Software.

4. Obligations of licensee

a. Copyright Notice

Software as well as interactively generated output and all kinds of publications referring to the Software or results generated by the Software must conspicuously and appropriately quote the following copyright notices:

Copyright by ETH Zurich, Boesch, Michael Elias, and Hellweg, Stefanie, July 12, 2011. This copyright statement does not imply that ETH Zurich was in any way involved with the generation of particular output or has reviewed the results generated with the software.

5. Intellectual property and other rights

The licensee obtains all rights granted in this Agreement and retains all rights to results from the use of the Software.

Ownership, intellectual property rights and all other rights in and to the Software shall remain with ETH Zurich (licensor).

6. Installation, maintenance, support, upgrades or new releases

Installation

The licensee may download the Software from the web page.

ETH Zurich doesn't have any obligation of maintenance, support, upgrades or new releases, and disclaims all costs associated with service, repair or correction.

7. Warranty

ETH Zurich does not make any warranty concerning the:

- warranty of merchantability, satisfactory quality and fitness for a particular purpose
- warranty of accuracy of results, of the quality and performance of the Software;
- warranty of noninfringement of intellectual property rights of third parties.

8. Liability

ETH Zurich disclaims all liabilities. ETH Zurich shall not have any liability for any direct or indirect damage except for the provisions of the applicable law (article 100 OR [Schweizerisches Obligationenrecht]).

9. Termination

This Agreement becomes effective at the date of registry of the licensee and will continue until the Agreement is otherwise terminated pursuant to this section 9.

This Agreement may be terminated by ETH Zurich at any time, in case of a fundamental breach of the provisions of this Agreement by the licensee.

Upon the termination of this license, the licensee shall cease all use of the software and destroy all copies, full or partial.

10. No transfer of rights and duties

Rights and duties derived from this Agreement shall not be transferred to third parties without the written acceptance of the licensor. In particular, the Software cannot be sold, licensed or rented out to third parties by the licensee.

11. No implied grant of rights

The parties shall not infer from this Agreement any other rights, including licenses, than those that are explicitly stated herein.

12. Severability

If any provisions of this Agreement will become invalid or unenforceable, such invalidity or enforceability shall not affect the other provisions of Agreement. These shall remain in full force and effect, provided that the basic intent of the parties is preserved. The parties will in good faith negotiate substitute provisions to replace invalid or unenforceable provisions which reflect the original intentions of the parties as closely as possible and maintain the economic balance between the parties.

13. Applicable law

This Agreement as well as any and all matters arising out of it shall exclusively be governed by and interpreted in accordance with the laws of Switzerland, excluding its principles of conflict of laws.

14. Jurisdiction

If any dispute, controversy or difference arises between the Parties in connection with this Agreement, the parties shall first attempt to settle it amicably. Should settlement not be achieved, the Courts of Zurich-City shall have exclusive jurisdiction. This provision shall only apply to licenses between ETH Zurich and foreign licensees
